

Request for Proposal

Engineering Services for Comox Strathcona Waste Management Regional Organics Management Facility

Comox Strathcona Waste Management (CSWM) is a function of the Comox Valley Regional District (CVRD) and provides solid waste management services to the CVRD and Strathcona Regional District. CSWM is seeking proposals from qualified engineering firms for the provision of engineering services during the planning, development and procurement of the CSWM regional organics composting facility and transfer station.

RFP documents, containing general information and instructions have been posted to www.bcbid.gov.bc.ca

The CVRD strongly encourages parties interested in regional district business to subscribe to BC Bid's email notification service to receive notices of public opportunities and posted addenda. If you require help please contact the BC Bid Help Desk at 1-800-663-7867 and ask to be re-directed to the BC Bid Help Desk.

Proposals must be submitted according to the instructions in the RFP documents and received no later than 2:00pm Pacific time on Thursday, September 7, 2017 at the following location:

Comox Valley Regional District
600 Comox Road
Courtenay, BC V9N 3P6

Late or electronic submissions will not be accepted.

Enquiries with respect to this solicitation should be directed in writing to:

Scott Hainsworth, Manager of Operating and Capital Procurement
