

**Design Services for the
Comox Valley Water Pollution Control Center
Phase 1 Upgrades**

The Comox Valley Regional District (CVRD) is seeking proposals from qualified consulting firms for the engineering services for the completion of the first phase of odour control, capacity and effluent quality upgrades at the Comox Valley Water Pollution Control Centre (CVWPCC).

RFP documents, containing general information and instructions have been posted to www.bcbid.gov.bc.ca

The CVRD strongly encourages parties interested in regional district business to subscribe to BC Bid's email notification service to receive notices of public opportunities and posted addenda. If you require help please contact the BC Bid Help Desk at 1-800-663-7867 and ask to be re-directed to the BC Bid Help Desk.

Proposals must be submitted according to the instructions in the RFP documents and received no later than the closing date and time at the following location:

Comox Valley Regional District
600 Comox Road
Courtenay, BC V9N 3P6

Late or electronic submissions will not be accepted.

Enquiries with respect to this solicitation should be directed in writing to:

Scott Hainsworth, Manager of Operating and Capital Procurement
