Lawn Sprinkling

4:00am to 9:00am
7:00pm to 10:00pm

Wednesday & Sunday Only

UHAVE2KNOW

The existing infrastructure is limited and expanding it is very expensive. Future infrastructure projects can be scaled down or eliminated if we use our water efficiently.

Water conservation bylaw 129 is in place year-round and applies to all people and businesses that receive water from the Comox Valley Water System including; the City of Courtenay, Town of Comox, as well as the Arden, Comox Valley, England Road, Marsden/Camco, and Greaves Crescent local water service areas.

For more information on the current restrictions including the bylaw and FAQ's visit www.comoxvalleyrd.ca/restrictions
