

# THINK DIFFERENTLY.

**BE MORE  
EFFICIENT  
WITH YOUR  
WATER.**

**WATER  
EFFICIENCY  
UHAVE2KNOW**

**Comox Valley Compost  
Education Centre**

4795 Headquarters Road,  
Courtenay, BC

Tel: 250-898-1086

**Saturday, July 17th at 10 am.**

Join CVRD contract educator Gayle Bates for an interactive look at where our water comes from and who uses it and learn about the options available to us to use water more efficiently. The Jet FM Green Team and the education trailer will be on-site to drop off your water efficiency pledges. Also a limited amount of free water-saving kits will be available for those connected to the Comox Valley water system.

For more information on the plan and what you can start doing right now visit
