

CVRD Update

Weekly News & Information

September 27, 2023 Edition

Sign Up To Get Notified This Fall

The Comox Valley Emergency Program is encouraging residents to register for local emergency notifications. The "Get Notified" system is a free, subscription-based service that allows local governments to distribute local emergency alerts by text message and voice calls about incidents that could impact you. Registration is required to receive these emergency alerts.

The registration process is simple.

Go to www.comoxvalleyrd.ca/getnotified and follow the steps outlined for setting up your account. Make sure to register for emergency notifications for the communities in which you live, work and play. Notifications are delivered directly to mobile and landline phones for registered users.

If you would prefer to register by phone, call 250-334-6000 and a member of our team will call you back to assist.
