## Weekly News & Information

## Welcome to CVRD Update

A new weekly spotlight for everything happening at the Comox Valley Regional District (CVRD). Did you know that this year the CVRD is delivering 102 services to residents in Courtenay, Comox, Cumberland and Electoral Areas A, B and C? These services vary from water, sewer, solid waste to street lighting and transit. Comox Valley residents only pay for the services

their community has voted to receive. So, depending on where you live, the services you receive vary.

We hope each week you learn something new about the CVRD, services offered and ways to get involved. Our goal is to provide you timely updates in a united, cost-effective format.
