CVRD Board Approves Strategic Plan

In June 2023, the Comox Valley Regional District (CVRD) Board of Directors completed a strategic planning session to help guide the 2023 -2026 term of office. Strategic planning at the CVRD helps to identify the Board of Directors' goals and align the CVRD's service delivery with those goals. The CVRD's ten elected officials identified eight core services that cover planning for sustainable growth in targeted development areas, improving recreation services, growing our agricultural opportunities and protecting the environment, which includes preparing for climate change and emergency preparedness.

As part of the strategic planning session the Board confirmed its strategic drivers to guide service delivery.

- Fiscal Responsibility
- Climate Crisis and Environmental Stewardship and Protection
- Community and Social Wellbeing
- Indigenous Relations
- **NEW Driver:** Accessibility, Diversity, Equity, and Inclusion
