## Sewer Conveyance Project Update

In June, the Comox Valley Regional District (CVRD) engaged with Lazo Road area residents to provide an update to the Sewer Conveyance Project regarding the altered methodology and route alignment of the sewer forcemain through Lazo Hill. As a consequence of these modifications, potential groundwater impacts and traffic disruptions during construction have changed.

The CVRD will meet again with the Lazo Road area to present the revised Groundwater Protection Policy and traffic management strategy report which address these changes. An online webinar is planned for the community **December 7, 2023 from 5:30 to 7:00 pm.**
