HAPPY NEW YEAR

## Embracing A New Year From Your Board Chair

On behalf of the Comox Valley Regional District Board, we hope 2024 brings the opportunity of a renewed sense of purpose. As a community, we have the power to make a positive impact and effect meaningful change.

As a board we are committed to delivering programs and services that address the needs of the Comox Valley and align with our strategic drivers in a

sustainable, affordable manner. This year there are a number of important initiatives happening within the community that will in the long term ensure sustainable service delivery. By working together with our local government partners and K'ómoks First Nation we will continue to strive to build a resilient community for everyone to enjoy.
