Our Region, Our Future Parks: Share Thoughts By Feb 19

The Comox Valley Regional District (CVRD) is seeking input from the community for our Regional Parks and Trails Strategic Plan. Feedback will help shape how the CVRD plans for, manages, and invests in new regional parks and trails over the next 20+ years.

Over the past month, CVRD staff have been out in the community collecting feedback to help shape the path forward.

If you have not been able to attend an open house or have not yet provided feedback, you still have time to participate. Your input matters!

Community survey available online until Monday February 19 at: engagecomoxvalleyrd.ca/RegionalParksPlan

Thank you to all community members who have participated.
