New Home Energy Navigator Program Launched

The Comox Valley Regional District (CVRD) has joined other BC municipal and regional governments in offering the Home Energy Navigator program to residents.

The Home Energy Navigator program helps homeowners understand the energy upgrade process and decide which upgrades are right for their home including what to ask contractors, comparing quotes,

and guidance on local, provincial, and federal incentive programs.

If you live within one of the CVRD's Electoral Areas, the City of Courtenay or Village of Cumberland, you will be able to access the Home Energy Navigator service free of charge on a first-come, first-served basis.
