Keeping Electoral Area Parks Enjoyable for Everyone

In CVRD Electoral Area parks where leashing is not mandatory, **dogs still must be under control at all times.** Having your dog under control, within sight, and on the trail helps ensure a pleasant experience for all visitors, gives wildlife the space they need, and protects sensitive and fragile environments.

In CVRD parks (where leashing is not mandatory) keeping dogs under control means:

- Dogs remain on the trail and within 10 meters of owner
- Dogs must be responsive and immediately return when called
- Dogs must not be harassing or attacking people, wildlife or other pets
- Dogs must be licenced
