Dog Leashing Being Enforced Within Rural Parks & Trails

The Comox Valley Regional District has some leashing mandatory parks within the electoral areas. Dog leashing within these mandatory areas is not always being followed causing issues with livestock, wildlife, sensitive ecosystems and public safety within these parks and trails.

This spring and summer, the CVRD Bylaw team will be actively patrolling all CVRD parks and trails systems and fining those individuals who are not following dog

leashing or dog-under-control requirements. CVRD Bylaw 679 outlines all the fines relating to Electoral Area Parks regulations. Fines include but not limited to:

- Allowing any animal to run at large in a park: \$100
- Failing to keep a dog under control in a park: \$100
- Failing to restrain a dog on a leash in a park: \$100
