## Come Learn About Traffic Plans For Sewer Conveyance

Important upgrades to the Comox Valley's sewer service are now underway, and the Comox Valley Regional District is sharing updates on how traffic will be managed during construction.

For most of 2025, construction will require one-way vehicle traffic along Comox Road, headed westward. Vehicle traffic heading into Comox from Courtenay (eastbound) will be redirected up Ryan Road to Lerwick Road. Bicycle travel will be maintained in both directions.
