July 24, 2024 Edition

Sign Up to Get Notified for Water System Emergencies

The Comox Valley Regional District (CVRD) manages several water systems within the region. Residents that are connected to one of these systems are encouraged to sign up and receive instant and up to date notification for water related emergencies.

For water related emergencies, local notifications and updates will be delivered by text or voice calls to registered users.

Comox Valley Local Water Systems:

- Black Creek-Oyster Bay Water System
- Comox Valley Water System
- Graham Lake/Denman Island Water System
- Royston Water System
- Union Bay Water System

To sign up to Get Notified or figure out which local water system you are connected to visit:

Community Highlights

Water Conservation Tip 10: Consider Micro/Drip Irrigation

Micro/drip irrigation systems use low-water-volume irrigation at low pressure to deliver a precise amount of water to the root zone of plants.
