## Construction Continues on Lazo Greenway Multi-Use Path

The CVRD, in partnership with the Town of Comox, Government of Canada, and Ministry of Transportation and Infrastructure, are pleased to announce construction has begun for the Lazo Greenway Multi-Use Path.

The path will connect Butchers Road to Sand Pines Drive and will help improve safety for residents and visitors travelling by foot or bike between Goose Spit Greenways and the Point Holmes area.

This path will connect into the recently completed Lazo Road upgrades between Simba Road and Sand Pines Drive.

The path will vary in width along the designed route to minimize environmental impacts and will consist of a mix of paved and gravelled surface sections. A new parking area and washroom will be located off Brent Road.
