

CVRD Update

Weekly News & Information

September 11, 2024 Edition

Parkland Development Cost Charges Timing Change

The CVRD will be revising the timing of when parkland development cost charges are collected. Development cost charges support the acquisition and development of Electoral Area parks and trails.

Beginning December 5, 2024, all Parkland Development Cost Charges will be collected for each new dwelling at the time of building permit issuance.

Type of Development	Rate	Unit	When Payable
Single Residential	\$1,417.63	Per Dwelling	Building Permit
Multi-Residential	\$1,181.36	Per Dwelling	Building Permit
Tourist Accommodation	\$212.64	Per Bedroom	Building Permit

For more information on Parkland Development Services Charges or to review the frequently asked questions visit:

Water Conservation Tip 7: Just Need One Inch

Lawns only need a maximum of one inch of water each week, including rainfall. Deep, infrequent watering promotes a strong root system, which is better able to obtain water and withstand dry spells.
