## Regional Parks & Trails Strategic Plan Open For Review

The Comox Valley Regional District (CVRD) is in the final stage of the Regional Parks and Trails Strategic Plan process. This Plan will guide how the CVRD plans for, manages, and invests in developing the new Regional Parks and Trails system over the next 20+ years.

The CVRD received valuable input from K'ómoks First Nation, interest groups, partners, and the broader community through Phase One and Phase Two that helped shape the directions of the Strategic Plan.
