

CVRD Update

Weekly News & Information

October 1, 2025

Weigh in on Waste by October 16 and be Entered to Win a \$100 Grocery Gift Card!

The Comox Strathcona Waste Management (CSWM) service wants your feedback on strategies and actions to guide waste reduction over the next 10 years. The CSWM manages our region's waste, including recycling, garbage and food waste – more than 100,000 tonnes each year. After input from residents, staff and experts, eight strategies and 33 actions have been shortlisted as part of the provincially required Solid Waste Management Plan renewal.

Now it's your turn. Your feedback on the shortlisted strategies and actions will help us understand your priorities and improve waste services where you live.

Find an open house near you or fill out the survey online by October 16 for a chance to win prizes! Visit our website for open house details and more information:
