## CVRD Utility Accounts – Receive Your Bill Online

Delays may occur in the mailing of the Comox Valley Regional District (CVRD) utility bills. These bills are distributed quarterly to residents connected to the Black Creek-Oyster Bay, Comox Valley, Royston, and Union Bay Water Systems, as well as residents within the Royston Garbage/Recycling Collection service area.

While the CVRD does not charge interest or penalties, utility bills must be paid by December 31, 2025 to avoid outstanding

balances being transferred to property tax accounts held with the Ministry of Finance. Once transferred, the balances will incur daily interest issued by the Province. The CVRD is encouraging account holders to sign up for e-billing to receive your current bill and avoid future disruptions due to postal services.
