

Welcome! This is your 2026 LEAP program documentation.

You, and each family member listed on your application form have 52 free admissions to use for the year – Jan 1, 2026 to Dec 31, 2026. **When you have used all your free admissions – regular admission rates will apply.**

If you don't already have membership cards, you (with all your family members) must have pictures taken and cards printed at either Sports Centre or Aquatic Centre. **Lost cards may be replaced at the cost \$3.50 each.**

Each family member has been given a subsidy of \$350.00 on account. This amount is NOT transferable to other family members, nor is it available to carry over to the next calendar year. This subsidy may only be used for program registrations that have a start date after Jan 1, 2026 and will expire Dec 31, 2026.

You may now register for programs online! When prompted for payment, select "Subsidy" – and you will be able to see the names of the registrants in a drop-down list. If you are registering more than one person, select subsidy-then the name of the 1st registrant. Select subsidy again-then the name of the second registrant and so on. **As each family member has their own subsidy, each must be registered and paid(subsidized) individually.** You may also register by phone call 250-334-9622 ext 0, or in person at either the Sports or Aquatic Centres during operating hours.

Please be advised that any withdrawal at any time is subject to a \$7.70 withdrawal fee that will be subtracted from your remaining subsidy amount. (The only exceptions to a withdrawal fee is with a Physicians note for medical reasons, or relocation with proof of moving.)

Thank you,
