Seasons Greetings From Your Board Chair

On behalf of the Comox Valley Regional District (CVRD) Board, I want to extend our best wishes to everyone this holiday season. We hope you find time to enjoy the places, people, and connections that make the Comox Valley such a special place to call home.

The CVRD delivered over 100 services and moved key infrastructure projects forward, including major progress on the Sewer Conveyance Project, recreation facility upgrades, and fire hall enhancements in Mount Washington and Union Bay.

We also made meaningful progress on long-term issues by

creating the Comox Valley Housing Authority, strengthening emergency management preparedness, expanding regional parks, and advancing climate resilience initiatives.

The holiday season is an opportunity to pause, reconnect, and show care for one another. We encourage everyone to keep those facing hardship in mind and to reach out with kindness where possible. May the season bring peace, gratitude, and optimism as we look ahead on the year to come.

Will Cole-Hamilton
CVRD Chair
