Our Budget, Your Services: 2026-2030 Budget Begins

The Comox Valley Regional District (CVRD) is beginning its 2026-2030 financial planning process and we're looking for residents to get involved. From your morning routine to your commute, from outdoor activities to indoor fun, emergency help and protecting the environment – the CVRD is working to protect your quality of life. It all starts with our budget, have your say on what's important to you.

Beginning February 2, core service overviews will be presented to the CVRD Board and individual services will be presented to their respective boards, committees and commissions for review and feedback.
