

PROCLAMATION

International Purple Day for Epilepsy

Proclamation: International Purple Day for Epilepsy

- WHEREAS** epilepsy is one of the most common neurological conditions, affecting people of all ages; and
- WHEREAS** despite its prevalence, epilepsy is often misunderstood, and many people living with the condition face stigma and barriers in daily life; and
- WHEREAS** International PURPLE DAY® for Epilepsy Awareness, observed annually on March 26, promotes public understanding of epilepsy and supports those affected and their families.
- THEREFORE** as Chair of the Board of Directors, do hereby proclaim **March 26, 2026** as **International PURPLE DAY® for Epilepsy Awareness** within the Comox Valley Regional District.

Chair Will Cole-Hamilton

Dated this 5th day of February, 2026
