Take advantage of Comox Valley Water System Rebates

During summer months, water use increases dramatically in the Comox Valley Water System. By improving irrigation efficiency and soil water retention at your home, you can help save water, and money!

Smart Control Irrigation Rebate*

Property owners are eligible for up to a \$300 rebate on the purchase of a qualifying smart irrigation controller to help maintain a healthy garden.

Soil Amendment Rebate*

Property owners are eligible for a rebate of 75% of (max \$200) purchasing soil amendments including high-quality topsoil, compost, or mulch to improve the water-holding capacity of existing lawns and gardens.
