## Comox Valley Regional District Property Taxes

### Electoral Area B

**Area Director: Richard Hardy**  
**Population - 7,683**

Lazo North (Electoral Area B) includes the Comox Peninsula, Little River, Balmoral Beach, Point Holmes, Bates Beach, Huband Road and the Tsolum Regions

Within the province of BC, regional districts do not issue property tax notices nor collect taxes directly from residents. Your 2026 Property Tax will be issued by the Surveyor of Taxes through the Province of BC.

The Comox Valley Regional District (CVRD) will receive payment from the province in August for the requisition.

The province also collects taxes on behalf of other government agencies for police, schools, hospitals, roads and many other services not provided through the regional district. Those tax rates are not included in the CVRD calculations.

**The CVRD currently provides 100 different services to its residents and businesses. These 100 services are organized into eight core service categories. As not all services are available in each electoral area, the services shown on your property tax notice will be the unique mix provided to your property. As a taxpayer you will only pay for the services you receive.**

Some of the services are regional (meaning that every property in the

CVRD will pay), some are electoral area specific (meaning that all properties in Area B will pay), and some are provided to local service areas with the electoral area (meaning that only specific properties within Area B will pay). A complete listing of all Area B services are on the back of this page.

Property taxes are calculated using your current year assessed value multiplied by the service tax rate. In Area B, the typical Residential Property Value for 2026 is \$1,001,000 (provided by the BC Assessment Authority).

On March 24, 2026, the Board of Directors adopted the 2026-2030 Financial Plan and Capital Expenditure Bylaw.

The approved 2026 Tax Requisition for the 100 services delivered is \$53,120,124; of which Area B residents contribute \$5,743,593.

#### Please note:

- Rates may adjust slightly based on 2026 actual tax roll.
- Provincial admin fee not included (see tax notice)
