Septic System Maintenance Rebate Program

The Comox Valley Regional District (CVRD) has launched the Septic System Maintenance Rebate Program, a 3-year pilot initiative aimed at supporting the continued safe operation of private on-site septic systems for residents in Electoral Areas A, B, and C.

Property owners can apply for a one-time rebate of up to \$700 per property for septic system maintenance completed by

authorized professionals, including system inspection and component replacement. The program is designed to incentivize proactive care, with funds allocated on a first-come, first-served basis. A streamlined process is in place with pre-approvals and a waitlist to ensure fair access.

For more information, visit: comoxvalleyrd.ca/rebates
