Stage 3 Water Restrictions Now In Effect

Stage 3 water restrictions began Tuesday, June 23, due to reduced water flows in the Puntledge River from BC Hydro. These restrictions will apply to any residence in the Town of Comox, City of Courtenay, and the Comox Valley Water Local Service Area. During Stage 3 water restrictions, no lawn watering is permitted at any time.

Residents are allowed to water trees, shrubs, flowers, and vegetables on any day at any time only if watering is done with a hand-held container, a hand-held hose with an automatic shut-off nozzle, or micro-irrigation/drip-irrigation systems.
