Dog licences for 2027 now available

Comox Valley Regional District (CVRD) dog licences for 2027 are now available to purchase or renew in-person at local CVRD facilities. Dog licences are required as part of the CVRD's Animal Control Service and help reduce the number of unclaimed dogs in the CVRD, as well as assist authorities in locating dog owners and reuniting lost pets. This year, residents who renew or purchase their dog licence before December 31, will have their dog's licence number automatically entered into a draw for a chance to win a $75 gift voucher at a local pet food store of their choice!
