

**2018 Regional District Property Taxes
collected by the
VILLAGE OF CUMBERLAND**

The Comox Valley Regional District (CVRD) is a federation of three electoral areas and three municipalities providing sustainable services for residents and visitors to the area. The members of the regional district work collaboratively on services for the benefit of the diverse urban and rural areas of the Comox Valley.

The regional district provides a total of 102 separate services to residents within its boundaries. The services you receive from the CVRD as a resident of your municipality and pay through property taxes are listed in the adjacent table.

For additional information on the CVRD financial plan and your regional district taxes contact:

Kevin Douville, Manager of Financial Planning at 250-334-6000 or toll-free at 1-800-331-6007.

Or visit the Financial Services branch section of our website at: www.comoxvalleyrd.ca/about/finance.

Estimates shown are based on revised assessment rolls at the end of March and may vary slightly from your actual notice.

Village of Cumberland Service	For every \$100,000 of assessed residential value you pay:	
	2017	2018
911 answering service	5.19	4.50
Comox Strathcona waste management	18.02	15.75
CV airport service	2.25	1.98
CV community justice	0.27	0.24
CV exhibition grounds	3.23	2.86
CV recreation complexes	33.78	29.24
CV search and rescue	0.80	0.71
CV transit	11.91	11.33
Emergency shelter land acquisition	-	-
Feasibility studies - regional	0.10	0.09
General administration	1.23	1.07
Homelessness supports	1.52	1.32
Member municipality	5.01	4.29
Pesticide awareness service	0.23	-
Recreation grant	1.95	1.72
Regional growth strategy	0.34	0.35
Victim services program	0.60	0.52
Total	\$ 86.43	\$ 75.97

Accidental 9-1-1 calls take time away from real emergencies. Help prevent them.

North Island 9-1-1, in partnership with E-Comm, needs your help to prevent accidental 9-1-1 calls. You can help by locking and storing your phone or mobile device carefully, not pre-programming 9-1-1 and by not giving children old, decommissioned cell phones which can still dial 9-1-1. Finally, if you dial by accident, stay on the line so dispatchers can ensure you are okay. For more information on North Island 9-1-1 visit www.ni911.ca

CVRD Water Treatment Project Moving Forward

A new water treatment plant is under development for the Comox Valley water system. Once complete, Comox Valley residents will have the modern water treatment system they deserve and turbidity related boil water notices will be eliminated. In the interim, installation of temporary UV treatment is expected to reduce boil water notices by about 80 per cent as we await construction of the new water treatment plant.

Construction of the new water treatment system is estimated at \$110 million. While at least 74 per cent will be paid by reserves and grant funding, the Comox Valley Regional District (CVRD) must borrow up to \$29 million to pay for the remaining. In March 2018, the CVRD launched an Alternative Approval Process (AAP) to ask residents if they opposed the borrowing of \$29 million. At the close on March 16, 2018 the CVRD received 31 responses who opposed the borrowing. As the number of residents opposed was fewer than 10% of the electorate, the CVRD can proceed with borrowing. For more information visit www.comoxvalleyrd.ca/watertreatment.

We've Launched....

Comox Strathcona Regional Hospital District

Two new state-of-the-art hospitals in Campbell River and the Comox Valley are now open.

Construction of both hospitals completed in fall of 2017. Forty percent (40%) of the capital costs for this major infrastructure project are financed by the Comox Strathcona Regional Hospital District (CSRHD).

In addition to the North Island Hospitals Project, the CSRHD provides 40 percent of capital funding for Island Health's approved projects and equipment for the following facilities:

- | | |
|--|-------------------------------|
| Campbell River & District General Hospital | Kyuquot Health Centre |
| Cumberland Regional Hospital Laundry Society | Sayward Primary Health Centre |
| Cortes Health Centre | Tahsis Health Centre |
| Gold River Health Clinic | Zeballos Health Centre |

The Comox Strathcona Waste Management (CSWM) service is a function of the Comox Valley Regional District and oversees waste management and education programs in the Comox Valley and Strathcona Regional Districts.

The CSWM service manages over 100,000 tonnes of waste and recycled materials each year. 2017 marked a significant milestone for waste management in the Comox Valley with the opening of the first phase of the new engineered landfill. The \$16.1 million dollar project has two main components: the landfill cell 1 and a leachate treatment facility to treat storm water in the landfill.

Also in 2017, CSWM launched an education campaign focused on reducing illegal dumping. Illegal dumping is the improper disposal of waste including couches, garbage in public or private areas. Since 2012, over 500 sites with illegally dumped materials have been documented.

To help put an end to illegal dumping and learn more about CSWM visit our new website at www.cswm.ca.
