

Preparing for construction from graffiti fence toward Swan Road

January 2014 – Property survey of road right-of-way from graffiti fence to Swan Road section is completed. Survey shows more space on power line side of Denman Road until Central Park.

February – May 2014 – CVRD staff review graffiti fence to Swan Road trail alignment with OnSite Engineering, Denman Trails Committee and meet with adjacent property owners and BC Hydro

Today – Community open house to show alignment, receive comments, suggestions and input on trail design options.

Give Us Your Feedback

We're looking for your input on:

- Your preferred trail design option from graffiti fence to Swan Road
- Comments on the design and trail use
- Other ideas, comments and suggestions

Ways to comment:

- Take a green sticky dot and put it on the panel with your preferred trail option.
- If you like none and/or have other comments, write them on the flipcharts following the information panels.
- Instead of, or in addition to the above, write your comments on the paper survey. Drop off the survey before you leave, fax it to the CVRD at 250-334-8156 by June 15 or email your feedback to communityservices@comoxvalleyrd.ca
