

# Greater Merville Fire Protection

## Volunteers Needed!

We need volunteers for the hall to operate. It's a rewarding way to serve your community!

### Volunteers

- are essential to provide fire protection in the area
- ensure quick response times and enhanced service (medical first responder)

### Benefits

- Gain leadership, teamwork and communication skills.
- Training is provided (16 to 18 month process)

### Feedback/Questions?

# Greater Merville Fire Protection

## Financial Planning

- » In progress - Merville Fire Protection Service and Tsolum Farnham Fire Protection Service merger
- » Funds budgeted for the auxiliary fire hall project, including for land acquisition, ensuring:
  - Project is cost efficient - fiscal responsibility
  - Property owners pay an equitable amount towards project and service operations
  - Potential for more favorable insurance rates for area property owners

### Next Steps

- » Finalize site, building and equipment costs of auxiliary hall project
- » As definitive budget costs are determined (land, building, equipment, cost of training), revisit budget figures in current 5 year financial plan
- » Refine budget within 2019-2023 and subsequent financial plan

1. VOLUNTEERS

2. LAND ACQUISITION

3. NEW FIRE HALL
