

Policy Title: Excess Bulk Water Sales		Policy Number: P17
Policy Category: Engineering		
Approval Date: April 25, 2005		Policy Owner: Engineering Services
Approved by: Board		File Reference: 0340-50

Purpose

To establish a policy to rebate funds from the sales of excess bulk water to the participants of the Comox Valley water supply system.

Policy

THAT excess bulk water sales would be rebated to the participants at the end of each year in the same ratio in which it was sold, commencing with the year ending 2004.

Procedure

THAT the Finance Department prepares a cheque requisition and ensures that the transaction is completed in the same year as the excess bulk water sales has occurred.
