

Section 40.1 of the *Environmental Management Act*, requires a site profile to be completed with an application when the applicant knows, or reasonably should know, that a site has been used or is being used for commercial or industrial purposes. If any activities found in Schedule 2 (see link below) of the Contaminated Sites Regulation apply to your property, you are required to complete a site profile.

If any of the listed activities does **not** apply, simply complete the following declaration:
